Blast off Space Day!

November Important Dates

Our theme day for November is taking us to the great unknown! The dates are Tuesday Nov. 13th, Thursday Nov. 15th, Saturday Nov. 17th and Monday, Nov. 19th.

We invite our skaters to incorporate a space suit, or creative space alien, Star Wars, etc. type gear into their normal skating attire. Note that dressing up for fun days is not mandatory.

Skater Evaluation

Fall programs are well underway and the coaches will begin skater evaluations the first week of November. Progress reports will be distributed in December at the last day of skating. Report cards are for you to keep, we will not need them back.

For each stage 1-6, there are 3 ribbons to be achieved. Each ribbon includes skills that develop control, agility and balance. Once all 3 of the ribbons are achieved, the stage badge will be awarded. Pre-CanSkaters will achieve the "Pre-Canskate" badge when they are ready to move up to the Canskate program.

Contact Us

Please feel free to contact us at anytime with any questions or comments.

You can't buy happiness...
But you can buy Tupperware
Which is pretty much the same thing!

By now you have hopefully received both the Tupperware fundraising paper package (containing letter, catalogue and order form). If you have not, they are still available in an envelope attached to the Canskate bulletin board (next to the arena office).

Deadline for Fundraiser

November 15. Return to the Club mailbox, next to the bulletin board or during the final week of the fundraiser. Cash or cheque (made out to Dalyce Zuk) must accompany order form.

How are Orders Placed?

Orders can be placed online or manually using the packages.

To give you more options, you can now order from the fundraiser brochure (<http://www.tupperware.ca/?fundraiser=5bac660b4b66c5fd6d88993a>) OR the mainstream catalog (<http://www.tupperware.ca/?party=5bb43d0e4b66c5fd6d894a07>).

Did you know that individuals ordering online will have their orders shipped directly to their homes? This means you can invite your family and friends to support the group, even if they live elsewhere!

What does my Club get from the fundraiser?

Although this is an optional fundraising opportunity, your participation won't go unnoticed. What does the Club get?

- 40% of all retail sales from the Fundraiser Catalogue go directly to the Club
- 20% of all retail sales from mainstream catalogue go directly to the Club
- Cash BONUS for the Club for each Tupperware party booked with our Consultant as a result of the Fundraiser
